

# Explore Ama Town! (Nakanoshima Island)

Visit the information center at Hishiura Port.  
The staff here are always happy to help!

Here you can get maps, rent bicycles and buy tickets for the sightseeing boat and bus tours.

You can buy snacks and ice-cream on the 1<sup>st</sup> floor, and have lunch at the restaurant on the 2<sup>nd</sup> floor.

There are other places to eat near the port, including local favorite "Radice" Italian Restaurant. Go here for good coffee and pasta (using local ingredients). The Oki Beef Restaurant is also very popular!
