

# Explore Chibu Village! (Chiburijima Island)

## Useful Information

Visit the information center at Kurii Port. Nishitani-san (who speaks English and French) and staff will be happy to help you! Here you can pick up a map of the island. Chiburijima does not have a bus, but they have a few taxis. This island is a great place to relax, walk, swim and explore rural Japan!

There are two small grocery stores. The locals love to eat at DONA (near Kurii Port) or at the hotel with a lovely view of the island HOTEL-CHIBU-NO-SATO.
